

LA COLLECTION

fragrance aerosols

*“Freshness -
through fragrance
and technology”*

The La Collection range of Airoma fragrances offers style and elegance based on four of the top ten selling perfume brands in the world today, making them ideal for both inside and outside the washroom environment.

Each possess their own luxurious, refined fragrance, and have been specially designed to fit the Airoma Micro Dispenser. Each refill features 33% more fragrance than other competing Micro aerosols, ensuring the impact of this new range is the highest of its class.

micro refill

*The La collection fragrances for a fresh new approach
against malodours*

LA COLLECTION FRAGRANCES

opal ruby jade pearl

MICRO REFILLS

opal

This luscious scent, combining Tahitian vanilla, strawberry and honey, is bursting with ripe berries to create a super sweet fragrance.

ruby

Base notes of sandalwood and white cyclamen accentuated by top notes of ylang ylang and mimosa. this delicious scent is sweet and oriental, with a slight hint of rose and vanilla.

jade

A warm, woody scent charged with citrus and various fruits and herbs. Powerful and revitalising.

pearl

A clean, fresh scent combining pink grapefruit, musk and yellow rose, to capture purity and sensuality. Think Champagne and roses.
